**37. Clarification on Duties & Taxes**

37.1 **EXCISE DUTY**

37.1.1 The price quoted should be-EXW and the rate of excise duty and quantum of Excise Duty separately should be shown distinctly. If case of stipulation like excise duty extra as applicable, the quoted prices will be loaded with the maximum quantum of excise duty which is normally applicable on the item in question for the purpose of comparing the prices with other bidders.

37.1.2 If a bidder is exempted from payment of excise duty up to any monetary limit of supplies, he should clearly state that no excise duty will be charged by him up to the limit of exemption which he may have. If any concession is available in regard to the rate/quantum of Central Excise Duty, it should be brought out clearly. Stipulations like excise duty presently not applicable but the same will be charged if it becomes leviable later on, will not be accepted (unless in such cases it is clearly stated by the bidder that excise duty will not be charged by him even if the same becomes applicable later on). In respect of the bidders who fail to comply with this requirement, their quoted prices will be loaded with the maximum quantum of excise duty which is normally applicable on the item in question for the purpose of comparing their prices with other bidders.

37.1.3 Any change in Excise Duty upward/downward as a result of any statutory variation in excise, on the finished goods, taking place

during currency of contract shall be allowed to the extent of actual quantum of excise duty paid by the supplier. Similarly in case of downward revision in excise duty, the actual quantum of reduction in excise duty shall be reimbursed to the Purchaser by the Supplier. All such adjustments shall include all relief's, exemptions, rebates, concessions etc if any obtained by the supplier.

37.1.4 Bidders should note that in case any refund of excise duty is granted to them by excise Authorities in respect of goods-supplied under the contract they will pass on the credit to the purchaser immediately along with a certificate from their Director /Manager/ Proprietor/Accountant that the credit so passed on relates to the excise originally paid for the goods supplied under the contract. In case of failure to do so within 10 days of the issue of the excise duty refund orders to them by the Excise Authorities, the purchaser would be empowered to deduct a sum equivalent to the amount refunded by the Excise authorities without any further reference to them from any of their outstanding bills against the contract or any other pending Government contract and that no disputes on this account would be raised by them.

37.1.5 The purchaser shall not be liable for any claim on account of fresh imposition and/ or increase of Excise Duty on raw materials and/or components used directly in the manufacture of the contracted stores taking place during the pendency of the contract.

37.1.6 The tenderer should indicate in their offer whether they are registered with Excise authorities for availing CENVAT credit or not. If they are availing CENVAT CREDIT, they should take into account the entire credit on inputs available under CENVAT CREDIT Scheme while quoting the price and furnish a declaration to this effect.

## 37.2 **SALES TAX /VAT**

37.2.1 The price quoted should be exclusive, of Sales Tax/VAT. The element of CST/VAT leviable should be specifically stated and shown distinctly as a percentage along with the price-quoted, separately. Where this is not done, no claim for sales tax will be admitted at any later stage on any ground. Further in the absence of any such stipulation regarding sales tax in the bid, it will be presumed that the prices quoted by the bidder are inclusive of sales tax and no liability for payment of sales tax will be devolved up on the purchaser. If case of stipulation like Sales Tax/VAT extra as applicable, the quoted prices will be loaded with the maximum quantum of Sales Tax/VAT which is normally applicable on the item in question for the purpose of comparing the prices with other

bidders.

Any change in Sales Tax upward/downward as a result of any statutory variation in element of CST/VAT leviable, on the finished goods, taking place during currency of contract shall be allowed to the extent of actual quantum of CST/VAT paid by the supplier. Similarly in case of downward revision in CST/VAT, the actual quantum of reduction in CST/VAT shall be reimbursed to the Purchaser by the Supplier. All such adjustments shall include all relief's, exemptions, rebates, concessions etc if any obtained by the supplier.

37.2.2 For the bidder quoting sales tax extra, sales tax will be paid to the bidder at the rate at which it is liable to be assessed or has actually been assessed provided the transaction of sales is legally liable to sales tax and the same is payable as per terms of the contract.

37.2.3 The purchaser shall not be liable for any claim on account of fresh imposition and/or increase of sales tax/VAT on raw materials and or components used directly in the manufacture of the contracted goods taking place during the pendency of the contract.

37.2.4 The bidder shall unconditionally pass on applicable input tax credit or set off of tax paid on raw material under the relevant VAT/Sales Tax Act availed on inputs used in manufacture of the finished product. The bidder shall furnish a declaration to this effect.

### 37.3 **OCTROI DUTY AND LOCAL T AXES**

37.3.1 Goods to be supplied to Govt. Departments against Government Contracts are exempted from levy of Town duty, Octroi Duty, Terminal Tax and other levies of local bodies. The local Town/Municipal Body regulations at times, however, provide for such Exemption only on Production of such exemption certificate from an authorised officer. Supplier should ensure that, goods ordered against contracts placed by this department are exempted from levy of Town Duty, Octroi Duty, Terminal Tax or other Local Taxes and Duties. Wherever required, supplier should obtain the exemption certificate from the concerned office to avoid local taxes or duties.

37.3.2 In case where the Municipality or other local body insists upon payment of these duties or taxes, the same should be paid by the supplier to avoid delay in supplies and possible demurrage charges. The receipt obtained for such payment should be forwarded to the officer concerned without delay together with a copy of the relevant act or by laws/notifications of the Municipality or the Local body concerned to enable him to take up the question of refund with the concerned bodies, if admissible under the said acts or rules.
