The existing format of Price Schedule in the e-Procurement portal of RITES was designed as per the previous era of taxation, wherein Excise Duty and VAT were to be quoted by the bidders. After the implementation of GST from 1<sup>st</sup> July, 2017, Excise Duty and VAT have been subsumed in the GST.

In view of above, bidders are advised to indicate the total percentage of GST/Custom Duty in place of ED/Custom Duty.

The percentage of Sales Tax/VAT may be indicated as Zero.

The declaration in the existing price schedule that credit on inputs available under the CENVAT Credit Scheme and VAT have been taken into account while quoting the rate will be considered as the declaration against GST for the same purpose. The bidders are advised to upload a declaration in this regard alongwith other documents. In addition to above, wherever GST and Custom duty both are applicable, the bidder may upload the breakup of these duties for information.
