Dear Sir,

National AIDS Control Organisation (NACO), Ministry of Health & Family Welfare has given social messages on the tickets as well as on hoardings in the 36th India International Trade Fair (IITF). In the past also NACO has been using the same platform for disseminating messages during the trade fair.

NACO has developed and placed an exhibition in the Health Pavilion showcasing IT system developed under Digital India initiative. The exhibition has been prepared with the support from different stakeholders.

We would like to show the exhibition to NACO staff as well as community members and stakeholders, it is requested to consider issuing 500 passes to NACO. We have received the passes for the trade fair in the past also.

With regards,

Yours sincerely,

(Dr. C.V. Dharma Rao)
