Subject: Payment of Honorarium for Conducting Training

Dear Project Directors,

Please refer to the Office Memorandum dated 3rd May 2010 Para No. 5 for each level of training regarding regulation of honorarium for resource persons. It has been mentioned in the ibid letter that no honorarium is payable to in-house faculty, officers of SACS and officials paid from NACO funds in districts, peripheral units and NGOs and faculty from institutions entrusted for training.

This position has been reviewed based on feedback received from SACS. It is decided that the above restriction is applicable only for officers of SACS, TSUs and peripheral units. However, a ceiling of ₹ 5000 per person per training and overall limitation of ₹ 20000 in a financial year may be followed for honorarium for resource persons. The per session guidelines continues to be applicable.

This is applicable for all the training conducted hereafter and past cases need not be reopened.

Secretary & DG, NACO has approved this.

Yours faithfully,

(Kanwaldeep Singh)
